Dec. No contest — DUPS party

Happy Holidays!!!

Etiquette and Skill

Please be sure to keep your weights on the deck of the boat, instead of the benches. Even when you are putting your weights into your weight-integrated BCs, be sure the weight pockets are on the deck. It only takes a small rock of the boat to send a weight off a bench onto someone's foot.

October Meeting Notes

Alan Weissman brought his Mac laptop and gave us a great tutorial on the benefits of using a Mac with graphic. Included in his tutorial, was how to set up a program (that comes with the computer) to make a slide show that syncs with music. We all appreciate Alan taking his time to present such a well informed presentation. Thank you Alan for such a great session.

Sponsorship of Monthly Photo Contests

The Color Place has been our monthly photo contests sponsor for many years. They were the first sponsor for DUPS and have helped us with our annual photo contests during Dive Dallas. Unfortunately, they have reorganized their business to where they no longer accept private retail work. We want to thank them for being such good sponsors and wish them luck in their new direction.

We are sorry to announce any unused gift certificates are no longer valid.

If you know anyone that would like to sponsor our contests, please contact a board member.
